

# 2020 NATS Hybrid Fall Conference

October 3, 2020

To: Nebraska Association of Teachers of Science Conference Sponsors

The 2020 NATS Fall Conference is fast approaching! Like everyone else, we have been affected by the coronavirus. While we can't meet all 500+ NATS members in person this year, we are still planning on providing excellent science professional development. Conference attendees will have the choice to attend virtually from home, or from small, socially distant watch sites around the state of Nebraska. We invite you to register to be a sponsor of this year's event. This year's conference will be held October 3, 2020.

Previous NATS Conferences have been attended by more than 500 math and science teachers, administrators, and professionals from across Nebraska. The flexibility of this year's event has the potential to attract a similar number of enthusiastic educators despite the unprecedented situation.

Depending on the sponsorship level, sponsors will have the opportunity to advertise and provide promotion videos during commercial breaks between sessions, send physical promotional materials to be distributed among the watch sites, and be recognized on the conference app. Please review the sponsorship contract carefully and let us know if you have any questions.

All sponsors are handled on a first-come, first-served basis. Space is limited for this year's event, so don't hesitate to return your completed forms with payment before the registration deadline, as we will sell out of space beforehand.

**Completed forms and payment must be returned by September 15, 2020, to:**

NATS  
PO Box 22988  
Lincoln, NE 68542

Additional conference information, duplicate forms, and updates on sponsor space can be found at [www.neacadsci.org](http://www.neacadsci.org).

Please feel free to contact NAS with any additional questions:

402-472-2644 or [nebacad@unl.edu](mailto:nebacad@unl.edu)

### Conference Sponsor Scavenger Hunt

All sponsors that would like to donate an item for the conference sponsor scavenger hunt will be recognized during the draw. Conference attendees will have the opportunity to search provided sponsor information to be entered into a drawing. Sponsors have the option to send items to NATS in order to be distributed among the watch sites, or alternatively, they can also collect information in order to directly contact winners.

### Confirmation

All sponsors will receive a confirmation email with further instructions regarding promotion details at this year's event.

### Sponsor Contact Information

The contact information provided on your contract page will be made available during the conference on the event app. Please provide accurate contact information to allow for efficient communication.

### Cancellations and Refunds

The cancellation deadline is September 15, 2020. No refunds will be provided after this date.
