

C. Bertrand and Marian Othmer Schultz Collegiate Scholarship Announced

Application deadline for The Nebraska Academy of Sciences 2022-2023 collegiate scholarship in memory of C. Bertrand and Marian Othmer Schultz is March 1, 2022. The scholarship will be offered to a Junior or Senior enrolled in an accredited college or university in the state of Nebraska. The applicant must have a declared major in a natural science discipline (chemistry, physics, biology, geology) and be anticipating a career in a science related industry, science teaching or scientific research.

The scholarship offered will be \$1500. Application due date is March 1. The scholarship will be paid out in two installments, $\frac{1}{2}$ during each semester of the academic year. Scholarship applications will be reviewed by the scholarship committee. Scholarship renewals will also be reviewed on a case by case basis. Scholarship recipients must show progress toward their career goals and the scholarship is not automatically renewed.
